It's a new school year, and Little Flower is still working to help stop bullying. Growing up during the Civil Rights Movement, Little Flower is an activist in her own right. She finds out more and more of her friends are bullied for one reason or another, and wants to set things right for them. At the same time, Little Flower is having struggles of her own - with the vicious crocodile known as MATH! Her Daddy and Mom bring in a tutor, and what a tutor he is! From her new tutor, Little Flower learns how important it is to just be herself, and how she can harness that individuality to help her do all sorts of things. How Little Flower Got Her Power And Almost Lost It, the second novelette in the Children of the World Storybook and Educational Series is part of Florita Bell Griffin's Little Flower™ International Cultural Art Project.
