Moon Island

J. R. Rain

Moon Island J. R. Rain

Seven years ago federal agent Samantha Moon was the perfect wife and mother, your typical soccer mom with the minivan and suburban home. Then the unthinkable happens, an attack that changes her life forever. And forever is a very long time for a vampire.

Now in MOON ISLAND, Samantha Moon is hired to look into the mysterious drowning of a super-rich hotel tycoon. The death occurred exactly one year ago, at the family's annual retreat on a private island in the Pacific Northwest. Now, as the family gathers again, Samantha Moon is asked to find a ruthless killer—all while a massive storm bears down upon the small island. But there's another storm brewing upon Skull Island, a storm of the supernatural kind. Sam is about to come face-to-face with evil incarnate...a monster who will stop at nothing to possess her completely—mind, body and soul—and destroy all that she loves.

From reader reviews:

Linda Callaway:

This book untitled Moon Island to be one of several books that will best seller in this year, here is because when you read this reserve you can get a lot of benefit on it. You will easily to buy this specific book in the book retail store or you can order it by way of online. The publisher on this book sells the e-book too. It makes you quickly to read this book, as you can read this book in your Smartphone. So there is no reason for you to past this book from your list.

Louise Hawkins:

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Moon Island can make you truly feel more interested to read.

Robert Hollinger:

What is your hobby? Have you heard this question when you got college students? We believe that that problem was given by teacher with their students. Many kinds of hobby, Everyone has different hobby. So you know that little person such as reading or as studying become their hobby. You need to know that reading is very important and book as to be the point. Book is important thing to provide you knowledge, except your teacher or lecturer. You discover good news or update regarding something by book. Many kinds of books that can you take to be your object. One of them are these claims Moon Island.

Mary Peterson:

Reading a guide make you to get more knowledge from the jawhorse. You can take knowledge and information from your book. Book is written or printed or illustrated from each source this filled update of news. Within this modern era like at this point, many ways to get information are available for you. From media social such as newspaper, magazines, science e-book, encyclopedia, reference book, book and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your book? Or just looking for the Moon Island when you needed it?
