The Final Chapter of the Seventh Son

Years ago, Amon was forced unwillingly into exile to protect the ones he loved from the merciless agents of The Order. For the last twenty years, he's lived under an assumed name, hoping his secrecy will keep them safe. After receiving an anonymous letter, he realizes someone has discovered his true identity; whether they are friend or foe, he doesn't know. The one thing he can be certain of, is that if someone knows he's alive, the ones he wants to protect are no longer safe.

He returns home and soon after finds the church is at war... with itself. Split between those loyal to the old ways, and those who want reform; the church fights not only for its identity, but for its continued existence. Amon, finds himself caught at the very center of this conflict. Forced to take a side, and as a means to get what he wants, Amon chooses to aid a powerful bishop who is the leader of the reform movement. But who but who is this bishop, and can Amon trust him? Amon quickly discovers that this power struggle is not limited to those who inhabit this plane of existence. Entities from the celestial realm have taken sides and are now actively involved in the affairs of man. Why are they violating this sacred law? What is their hidden agenda? Again, Amon finds he is a pawn in someone else's game. If he wins, he will reclaim that which was taken from him. If he loses...it will cost him more than his life.
