When you talk to yourself about your health condition, what do you say? Are you negative. Do you say only what the doctor has diagnosed. Or do you say what God says? You can overcome physical illness by creating new thought patterns and changing your self-talk. This book defines the most powerful healing principles in Scripture and encourages you to stop negative self-talk, control your thoughts, and speak healing words over your body regardless of the current health condition or medical diagnosis. Included, the positive self-talk examples, will help affirm God's will for victory in the area of healing emotionally, physically, mentally, financially, and spiritual. Daily devotionals will reinforce your faith. And as you begin to meditate and confess the word, your thoughts, words, outlook and expectations will change for the better. You will find victory and healing in the name of Jesus. Trust God and mediate on His word. The enemy likes to keep illness and perceived limitations in front of us at all times. He wants to rub sickness and disease in our faces so that we lose faith and hope in healing. Don't talk yourself out of your healing. Today, declare, "By Jesus stripes I am healed and made whole." And don't let anyone talk you out of it.

The victory is yours. Are you willing to change your mental thought patters about healing- emotional, physical, and psychological? This is the 3rd book of the By Faith I Declare series. For your spiritual growth read the companion books in this series, Deliver Me From Negative Self Talk: Faithful Words to Say When You Talk T Yourself and the latest title, Lord Deliver Me From Negative Emotions, and I AM Positive 31 Positive Self Talk Declarations.
