In a world where werewolves rule and vampires are just the boy or girl next door, kids love anything that will scare the pants off them. But how do you separate fact from fiction? Do haunted houses, spooky ghosts, and UFOs have a place in history, or is it all just a bunch of hooey? Crawling with spine-tingly facts, eerie anecdotes, and fun information, this book is all about everything creepy, kooky, mysterious, and spooky. It's a perfect book for the bathroom library or to read by flashlight under the covers. Just don't tell kids how much real science and history they're actually learning!
