**The Days of Abandonment** Elena Ferrante

"She is among the greatest Italian authors of recent years."-*Corriere della Sera*

"Ferrante dissects the personal microcosm so well, and with awesome lucidity and precision shows us the meanderings of a woman's mind, the suffering that accompanies being abandoned, and the awful rumbling of time passing."-*El Mundo*

"Elena Ferrante has given us a startlingly beautiful novel of exceptional and bold strength."-*Il Manifesto*

"Severe and rigorously unsentimental, packed full of passages written with dizzying intensity at a rare and acute pitch. Ferrante is at her best when her writing holds tight to those nagging, niggling obsessions that make up our mental landscapes."-*La Stampa*

A national bestseller for almost an entire year, *The Days of Abandonment* shocked and captivated its Italian public when first published. It is the gripping story of a woman's descent into devastating emptiness after being abandoned by her husband with two young children to care for. When she finds herself literally trapped within the four walls of their high-rise apartment, she is forced to confront her ghosts, the potential loss of her own identity, and the possibility that life may never return to normal.
