HONEY MOON She has a crazy name, a heart full of hope, and a passion for making dreams come true...Honey Jane Moon was a South Carolina orphan discovered by Hollywood and made a child star. Now she's all grown up, but her life is still a dramatic and passionate roller-coaster. Two men - Dash Coogan, a cowboy legend, and bad boy actor Eric Dillon - know how fiercely she lives and loves. But what Honey wants most of all is the family she never had. And when she falls in love, she'll do it the only way she knows how...with all her heart. **HOT SHOT** Susannah Faulconer flees her society wedding on the back of a bad boy's Harley and enters a world for which no etiquette book could ever prepare her. A world with men such as Mitch Blaine, a corporate genius who has no time for a rich California socialite, and Sam Gamble, a charismatic visionary. Electronics genius Yank Yankowski harbours an invention that could change all their lives - if they can survive the cutthroat business world. Now, the unforgettable woman called Hot Shot must find the courage to see her dreams through, on her own terms.
