## **Love Is Danger: Club Aegis 2** Christie Adams

The second full-length novel in the Club Aegis series of contemporary romances featuring former members of the British military.

Having only just dumped her lecherous, two-timing boyfriend, Stacie Matheson never expected, when her car broke down in a storm, to be rescued by a tall, blond-haired, blue-eyed knight in a shining Jaguar. Cam is everything her ex was not – and more besides.

Now that his old friend Alex has settled into married life with his submissive, Beth, Cameron Fraser is ready to surrender his single status. What he isn't ready for is being blindsided by a beautiful, curvy damsel-in-distress.

Fate has brought them together – the Dom who needs a sub-missive, and the woman who takes her first steps into the world of submission at his side. However, there's more to Cam's life than the sensual games he plays with Stacie. When that life intrudes on their relationship, neither is prepared for the devastating consequences.
