#### **THREE MEN TO KILL** BILL WILLIAMS Three Men to Kill by Bill Williams

Was the first of the author's eleven published novels and likes to think of them as thrillers set in the background of the wild west which is a genre he has always enjoyed.

Introduction

Harvey Jack Denton was only eighteen when tragedy turned him from a sensitive boy into a man who would take the law into his own hands. There had been other sad events in his life that included his parents being butchered by the Indians and his brother Billy being killed in the Civil War. He hadn't been able to avenge those tragedies, but now things were different. With a gun to hand he feared no man and he was determined to make the men pay with their lives for what they had done to his sister.

Justice would be done even his life would be threatened.
