## **I, Tania** Brian Joseph Davis

America lies in ruins during an age of decline, despair, and death. The year is 1975 and a radical far-left group has kidnapped a young woman from one of America's richest families. She will later join their cause and will eventually be arrested and convicted of armed robbery. She will claim it was a "different personality" that robbed the bank. The jury didn't buy it, but author Brian Joseph Davis did. The important difference is: Davis thought her "different personality" was more interesting and deserved her own fake memoir. Welcome to *I, Tania*, a book that uses the memoir format just enough to spin off into a crazed, bawdy, and seditious charge through pop culture, politics, and the meaning of fiction itself. *I, Tania* begins by recounting the highly fictionalized true story of the rise and fall of the Symbianese Liberation Army, as it never happened. Brainwashing will never be as much fun as when Tania takes you on an armed-to-the-teeth trip through one of the strangest episodes in history while writing her memoirs in the year 2005. Tania may have survived bank heists and open relationships, but will she be able to survive the savage world of contemporary book publishing and promotion? More than just a run-of-the-mill fake memoir, *I, Tania* will blast you into a million little pieces with: • The hidden Marxist meanings behind *Cujo* • Why John McEnroe is scarier than Ian Curtis • How Don DeLillo can kill . . . with his mind Do violent debutantes have a place in political struggle? After Tania and Katie Couric's climactic talk show, you'll know the shocking, surprisingly funny answer.

### **From reader reviews:**

#### **James Lapham:**

What do you concentrate on book? It is just for students as they are still students or this for all people in the world, what best subject for that? Just simply you can be answered for that concern above. Every person has diverse personality and hobby for each other. Don't to be obligated someone or something that they don't would like do that. You must know how great and important the book I, Tania. All type of book can you see on many resources. You can look for the internet sources or other social media.

#### **Ruth Aguilar:**

This book untitled I, Tania to be one of several books in which best seller in this year, this is because when you read this guide you can get a lot of benefit into it. You will easily to buy this book in the book retailer or you can order it through online. The publisher in this book sells the e-book too. It makes you more readily to read this book, since you can read this book in your Touch screen phone. So there is no reason to you to past this reserve from your list.

#### **Doris Griffin:**

Many people spending their period by playing outside using friends, fun activity having family or just watching TV all day long. You can have new activity to shell out your whole day by reading through a book. Ugh, do you think reading a book can definitely hard because you have to use the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Mobile phone. Like I, Tania which is finding the e-book version. So , why not try out this book? Let's notice.

#### **Amy Smith:**

That e-book can make you to feel relax. This particular book I, Tania was colourful and of course has pictures around. As we know that book I, Tania has many kinds or style. Start from kids until adolescents. For example Naruto or Investigator Conan you can read and believe that you are the character on there. Therefore not at all of book tend to be make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading that.
