Black List (Ryan Drake Book 4) Will Jordan

The pulsating, edge-of-the-seat thriller from the author of the high-octane Ryan Drake series

With no money, no prospects and a long list of computer crimes against his name, Alex Yates's life is going nowhere until he is given a lucrative but dangerous offer - £100,000 to hack into the Central Intelligence Agency's network and recover a file known only as the Black List. At first reluctant to get involved, the disappearance of an old friend leaves Alex with no choice but to return to a world he'd sworn to leave behind. But before he can unlock the secrets contained within the file, he suddenly finds himself the target of a nationwide manhunt. Someone wants him out of the picture fast.

Now plunged into a deadly race against time to recover the Black List, and hunted by police, intelligence operatives and a ruthless covert unit dispatched to take him down, Alex is left with no choice but to accept help from the violent and unpredictable woman who hired him. For in the Black List may lie his salvation, or his death...
