KILLINGS AT LETANA CREEK

Was the fifth of the author's eleven published novels and he likes to think of them as thrillers set in the background of the wild west which is a genre he has always enjoyed.

Following a desperate plea, retired United States marshal Ned Thomas rides to Letana Creek to help an old friend who fears that he will be the next victim of a serial killer. But in doing so, Ned unwittingly makes matters worse for his friend's family and puts his own life in danger.

It will take all of Ned's guile and experience to solve the mystery surrounding the series of killings. He will also have to face a separate danger when the Molloy brothers are unexpectedly released from prison and are hell-bent on having their revenge on him.

But those who unwisely write Ned Thomas off as an interfering has-been are sorely mistaken.....
