## **Leadership in Your Pocket. Leadership Tips for When You're on the Move** Pilar Orti

Management is a constantly evolving sector and managers seem to have more and more responsibilities added to their plate every year. Amongst these responsibilities is the need to evaluate their own performance and continue to work on self-improvement in order to maintain and enhance their own skills. Pilar Orti has put together this handy resource with bite-size sections packed with information. The way this book is set out makes it ideal for reading a section or two on the train into work, at lunch time or quickly before tea. This is a leadership aid which truly does suit the busy lifestyle of a manager. Covering a wide range of topics from presenting at meetings and events, making meetings work, being a 21st century leader and even leadership lessons from Twitter this is the must-have book for those who are already in or hope to work in management.
