## **Belly of the Beast** Ashe Vernon

“Into the Belly of the Beast we crawl with Ashe as our guide; into the dark visceral spaces where love, lust, descent and desire work their transformative magic and we find ourselves utterly altered in the reading. A truly gifted poet and truth-spiller, Ashe’s metaphors create images within images, leading us to question the subjective truths, both shared and hidden, in personal relationship – to the other, and to oneself. Unflinching in her approach, her poetry gives voice to that which most struggle to admit – even if only to themselves. And as such, *Belly of the Beast* is a work of startling courage and rich depth – a darkly delicious pleasure.” – Amy Palko
