Sex. Death. Apocalypse. Inspired by the Book of Revelations, an enigmatic femme fatale embarks on a campaign of ritual murder, staging her crimes as a series of elaborate atrocities steeped in mystical symbolism. Dispensing a deadly brand of divine justice, she preys on the members of a decadent elite whose depraved activities recreate the sadistic visions of history's most infamous literary madman. Investigating the lethal spree, intelligence agent Justine Sinclair is caught in the crossfire between the mysterious killer and a cult of sinister fanatics whose malignant influence spans centuries. And when the killer's homicidal mission reaches its spectacular climax - a holocaust of apocalyptic proportions - Justine must face the most startling revelation of all. . .the truth about herself.
