FDR

Jean Edward Smith

FDR Jean Edward Smith

One of today's premier biographers has written a modern, comprehensive, indeed ultimate book on the epic life of Franklin Delano Roosevelt. In this superlative volume, Jean Edward Smith combines contemporary scholarship and a broad range of primary source material to provide an engrossing narrative of one of America's greatest presidents.

This is a portrait painted in broad strokes and fine details. We see how Roosevelt's restless energy, fierce intellect, personal magnetism, and ability to project effortless grace permitted him to master countless challenges throughout his life. Smith recounts FDR's battles with polio and physical disability, and how these experiences helped forge the resolve that FDR used to surmount the economic turmoil of the Great Depression and the wartime threat of totalitarianism. Here also is FDR's private life depicted with unprecedented candor and nuance, with close attention paid to the four women who molded his personality and helped to inform his worldview: His mother, Sara Delano Roosevelt, formidable yet ever supportive and tender; his wife, Eleanor, whose counsel and affection were instrumental to FDR's public and individual achievements; Lucy Mercer, the great romantic love of FDR's life; and Missy LeHand, FDR's longtime secretary, companion, and confidante, whose adoration of her boss was practically limitless.

Smith also tackles head-on and in-depth the numerous failures and miscues of Roosevelt's public career, including his disastrous attempt to reconstruct the Judiciary; the shameful internment of Japanese-Americans; and Roosevelt's occasionally self-defeating Executive overreach. Additionally, Smith offers a sensitive and balanced assessment of Roosevelt's response to the Holocaust, noting its breakthroughs and shortcomings.

Summing up Roosevelt's legacy, Jean Smith declares that FDR, more than any other individual, changed the relationship between the American people and their government. It was Roosevelt who revolutionized the art of campaigning and used the burgeoning mass media to garner public support and allay fears. But more important, Smith gives us the clearest picture yet of how this quintessential Knickerbocker aristocrat, a man who never had to depend on a paycheck, became the common man's president. The result is a powerful account that adds fresh perspectives and draws profound conclusions about a man whose story is widely known but far less well understood. Written for the general reader and scholars alike, *FDR* is a stunning biography in every way worthy of its subject.

From reader reviews:

John Jacquez:

Do you have favorite book? In case you have, what is your favorite's book? Guide is very important thing for us to be aware of everything in the world. Each e-book has different aim or even goal; it means that publication has different type. Some people truly feel enjoy to spend their time to read a book. These are reading whatever they acquire because their hobby is usually reading a book. What about the person who don't like reading a book? Sometime, person feel need book once they found difficult problem as well as exercise. Well, probably you will want this FDR.

Carl Yeates:

Book is actually written, printed, or outlined for everything. You can realize everything you want by a guide. Book has a different type. As we know that book is important thing to bring us around the world. Beside that you can your reading talent was fluently. A publication FDR will make you to always be smarter. You can feel considerably more confidence if you can know about everything. But some of you think which open or reading any book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you searching for best book or ideal book with you?

Keesha Marks:

Nowadays reading books be than want or need but also be a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book that improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want have more knowledge just go with education and learning books but if you want truly feel happy read one with theme for entertaining for instance comic or novel. The FDR is kind of publication which is giving the reader unstable experience.

Wendy Clark:

The publication untitled FDR is the book that recommended to you to learn. You can see the quality of the guide content that will be shown to you actually. The language that author use to explained their way of doing something is easily to understand. The article writer was did a lot of research when write the book, and so the information that they share for you is absolutely accurate. You also could possibly get the e-book of FDR from the publisher to make you considerably more enjoy free time.
