Fierce Beauty: Preserving the World of Wild Cats Bhagavan ("Doc") Antle

Fierce Beauty is a celebration of tigers, leopards, lions, ocelots, and other wild cats that inhabit The Institute of Greatly Endangered and Rare Species (TIGERS), a wildlife preserve in Myrtle Beach, South Carolina. The institute's fifty acres are home to more than one hundred rare animals, from ligers (a hybrid cross between a male lion and a tigress) that stretch nearly twelve feet long to cheetahs capable of running seventy miles per hour.

Featuring dozens of exclusive new portraits from preeminent nature photographer Tim Flach, *Fierce Beauty* depicts the beauty, power, and grace of these remarkable creatures as never before. And with more than 300 images of wild cats and essays by such distinguished conservationists as zoologist and TV personality Jim Fowler, Dakota Zoo director Terry Lincoln, and a foreword by renowned actor Robert Duvall, *Fierce Beauty* enables readers to experience the vibrant form, bold markings, and striking personalities that make wild cats unique cohabitants of mankind.
