Jackson Fearn has always been an exemplary student. He takes every assignment above and beyond the call of duty. So when he's given the assignment to behave as a person with hearing loss for two weeks, he goes all out, borrowing his roommate's hearing aids and communicating only through sign language. All is going well...until he meets Topher and tries dating. Despite the warnings of his friends and his attention-seeking sister, he decides to keep quiet about his hearing abilities. Secrets are okay if they're for school...right?
