Maximum Chaos (Executioner) Don Pendleton
LIFE SENTENCE

Desperate to escape conviction, the head of a powerful crime family orders the kidnapping of a federal prosecutor's young daughter. If the mobster isn't freed by the end of the week—if anyone contacts the authorities—the girl will be killed. Backed into a corner, her father must rely on the one man who can help: Mack Bolan.

Finding the girl won't be easy; the mob has tight security and their network is vast. Plus, with an innocent life at stake, going in guns blazing is a risk Bolan can't afford to take. His only choice is to create a distraction by pitting the crime syndicate against their rivals. The mob is about to get a visit from the Executioner. And this time he's handing out death penalties.
