One Night With Werewolves (Sex and Love in the Apocalypse): The world has ended. Monsters roam the streets. They want blood... and sex.

Idola Song is the High Priestess of the Sisters of Lilith, a sorority that has existed for over 200 years, opens her Eden to 15 new seniors of Dunwich College. Each girl must confess her sexual encounters in order to join... but will these stories actually give power to something more evil than they ever imagined?

His Tentacles Guide Me (Sex With The Proxy): People have been stalking Jen. Is her savior one of them? Jen's been paranoid ever since she first encountered the Slenderman. Surely she wasn't really being followed. There's no way she was being stalked! The more she tried to rationalize what was happening to her, the worse her fears and delusions were becoming. Therapy helped. So for a while she almost thought she was going to be completely okay. She started leaving the house again, sometimes even staying out after dark. That was when they came for her. She barely escaped after crashing her car into a pole and limping to the safety of a store and into the safety of a man's strong arms. Will was everything she needed at that moment. Strong, capable, handsome. In the back of her mind, though, she wondered: Wasn't it too much of a coincidence that he was right there, ready to help? What if he isn't helping her after all? **Learn how to harness your own magical abilities! Copy and paste this link: ➔**
