The most complete military roster for the state, this monumental work contains the names of approximately 36,000 soldiers from North Carolina who served during the Revolution. Service records include such information as rank, company, date of enlistment or commission, period of service, combat experience, and whether captured, wounded, or killed. This is a complete roster of soldiers named in both published and unpublished accounts, the information deriving in the main from such sources as military land warrants and vouchers, comptroller's records, state rosters, pension records, army accounts, pay rolls, muster rolls, and militia returns, and from the published accounts found in Pierce's Register, Heitman's Register, and Katherine Keogh White's King's Mountain Men. The entire work, with its various and sundry lists, is completely indexed.
