The House of the Wolfings

William Morris

The House of the Wolfings William Morris

The first of William Morris's great fantastic romances is a translation of the old Norse saga, The House of the Wolfings. Of this tale, The Encyclopedia of Fantasy wrote: "The first step toward the characteristic large-scale fantasies which have had such influence on the genre . . . is The House of the Wolfings. Here the setting is quasi-historical: a European Saxon community is resisting the decadent advances of late Imperial Rome. The romantic-supernatural story contains a large admixture of verse." Indeed, Morris's chief contribution to the book is his beautiful prose and poetry, for his version of the story is actually a collaboration with Norse scholar Eiríkr Magnússon, who provided a literal translation of the original text, which Morris then reset as prose and poetry. Morris's version of The House of the Wolfings has influenced generations of writers, including J.R.R. Tolkien, C.S. Lewis, and countless hundreds more.

From reader reviews:

Christine Willis:

Why don't make it to be your habit? Right now, try to prepare your time to do the important action, like looking for your favorite publication and reading a book. Beside you can solve your short lived problem; you can add your knowledge by the guide entitled The House of the Wolfings. Try to the actual book The House of the Wolfings as your buddy. It means that it can being your friend when you truly feel alone and beside those of course make you smarter than before. Yeah, it is very fortunated in your case. The book makes you far more confidence because you can know everything by the book. So , we need to make new experience and knowledge with this book.

Richard Puccio:

Nowadays reading books are more than want or need but also become a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book which improve your knowledge and information. The information you get based on what kind of book you read, if you want drive more knowledge just go with training books but if you want really feel happy read one having theme for entertaining for example comic or novel. The actual The House of the Wolfings is kind of publication which is giving the reader unstable experience.

Mary Summers:

Often the book The House of the Wolfings will bring someone to the new experience of reading the book. The author style to describe the idea is very unique. When you try to find new book you just read, this book very suited to you. The book The House of the Wolfings is much recommended to you to read.
