The Wizard of Oz

L. Frank Baum

The Wizard of Oz L. Frank Baum

Baum was born in 1856 to a family that had made a fortune in the oil business. In 1897, following his mother-in-law's advice, Baum wrote down the stories that he told his children. The firm of Way & Williams published the stories under the title *Mother Goose in Prose*, with illustrations by Maxfield Parrish, and Baum's career as a writer was launched. With the publication of *The Wonderful Wizard of Oz* in 1900, Baum gained instant success. The book, lavishly produced and featuring voluptuous illustrations by William Wallace Denslow, was the bestselling children's book of the year. It also set a new standard for children's literature. Baum died from complications of a stroke in 1919.
