## The Zombie Chasers #5: Nothing Left to Ooze John Kloepper

The living dead are back and they mean business in *Nothing Left to Ooze*, book five of John Kloepper's sidesplitting *Zombie Chasers* tween series, with illustrations by David DeGrand.

After the original antidote wears off and millions of Americans suddenly rezombify, Zack Clarke and his crew of *Zombie Chasers* are on a mission to cure these zombies once and for all. In order to do so, they set out on a zany international expedition to track down the last remaining zombie antidote . . . who also happens to be Madison's cousin! They'll have to plow through abominable snow zombies on the Niagara River and outrun slime-drooling thrill seekers at the biggest amusement park in the country to find her. But can the *Zombie Chasers* end this carnival of frights before it's too late?

Loaded with middle school shenanigans, fast-paced adventure, hilarious black-and-white drawings throughout, and—of course—a slew of brain-gobbling ghouls, *The Zombie Chasers #5: Nothing Left to Ooze* is the perfect pick for fans of the series and zombie aficionados everywhere!
