## Wayward (The Wayward Pines Trilogy, Book 2) Blake Crouch

The second book in the international runaway bestselling series that inspired the most watched summer show of 2015. From executive producer M. Night Shyamalan, *Wayward Pines* returns May 25th, 2016 and airs Wednesdays at 9/8c on FOX.

Welcome to Wayward Pines, population 461. Nestled amid picture-perfect mountains, the idyllic town is a modern-day Eden...except for the electrified fence and razor wire, snipers scoping everything 24/7, and the relentless surveillance tracking each word and gesture.

None of the residents know how they got here. They are told where to work, how to live, and who to marry. Some believe they are dead. Others think they're trapped in an unfathomable experiment. Everyone secretly dreams of leaving, but those who dare face a terrifying surprise.

Ethan Burke has seen the world beyond. He's sheriff, and one of the few who knows the truth—Wayward Pines isn't just a town. And what lies on the other side of the fence is a nightmare beyond anyone's imagining.
