Rerelease of 2010 title: What Child is This? A Crossing Borders Christmas Story.

Michael and Tristan are finally taking that much needed weekend away for Christmas. They've been working so hard at their respective careers there hasn't been time for a breather, much less a chance to reconnect and see if they've been working toward what they both want.

Like always, Michael's well-laid plan is derailed by a phone call from Apple House. Three of their charges have gone missing and while Michael is worried, it's not unusual for the young adults who stay at the shelter for homeless LGBT teens to come and go.

But when one of them calls Michael and asks if – hypothetically speaking – it's considered kidnapping to keep a baby who's been abandoned, Michael and Tristan head home with all speed to sort things out.
