## Beatific Enjoyment in Medieval Scholastic Debates: The Complex Legacy of Saint Augustine and Peter Lombard Severin Valentinov Kitanov

Beatific Enjoyment in Medieval Scholastic Debates examines the religious concept of enjoyment as discussed by scholastic theologians in the Latin Middle Ages. Severin Kitanov argues that central to the concept of beatific enjoyment (*fruitio beatifica*) is the distinction between the terms enjoyment and use (*frui et uti*) found in Saint Augustine's treatise *On Christian Learning*. Peter Lombard, a twelfth-century Italian theologian, chose the enjoyment of God to serve as an opening topic of his *Sentences* and thereby set in motion an enduring scholastic discourse. Kitanov examines the nature of volition and the relationship between volition and cognition. He also explores theological debates on the definition of enjoyment: whether there are different kinds and degrees of enjoyment, whether natural reason unassisted by divine revelation can demonstrate that beatific enjoyment is possible, whether beatific enjoyment is the same as pleasure, whether it has an intrinsic cognitive character, and whether the enjoyment of God in heaven is a free or un-free act.

Even though the concept of beatific enjoyment is essentially religious and theological, medieval scholastic authors discussed this concept by means of Aristotle's logical and scientific apparatus and through the lens of metaphysics, physics, psychology, and virtue ethics. Bringing together Christian theological and Aristotelian scientific and philosophical approaches to enjoyment, Kitanov exposes the intricacy of the discourse and makes it intelligible for both students and scholars.
