Field Guide to Clinical Dermatology (Field Guide Series) David H. Frankel MD

Praise for the First Edition:

"A superb guidebook to basic dermatology....One of the best quick-reference dermatology sources....This little gem should be a favorite of family physicians around the world."—**American Family Physician**

Geared specifically to primary care practitioners, house officers, and medical students, this colorfully illustrated pocket book is a practical quick-reference guide to the diagnosis and treatment of common skin problems. The book is organized by clinical feature and written in terms that are accessible to non-dermatologists. 118 full-color illustrations depict the key distinguishing features of the diseases. ICD-9 codes are included. This Second Edition includes the latest therapies, plus many new photographs.
