Things are going well for Lieutenant Jacqueline "Jack" Daniels of the Chicago Police Department. She has solved some of the city's toughest and most high-profile homicides. Her personal life is finally in order. Her friends and family are safe and happy. And she just got a call that eased her mind like nothing else could: Alex Kork, one of the most dangerous criminals Jack ever arrested, killed herself while in jail.

But things sour quickly when a group of vigilantes on a murderous spree decide to take down a cop and the people she cares about ... and they turn downright awful when Jack discovers that Kork may not be dead after all.

Trapped in her house with a psycho and everyone she cares about, and unable to leave because she's surrounded by snipers, the next eight hours will be the worst of Jack's life. And that's saying something.

Fuzzy Navel is Jack's fifth adventure, perfect for readers who like their mysteries with a shot of humor.
