- WITCH SERIES

This is the first book in my new Adventures of a Modern Witch, Witchlight series, featuring my well-loved clan of modern witches and those who love them (if you like to start at the very beginning, go find Heartbreak Inc. Adventures of a Modern Witch and read from there.) It will explain all about the Elders and the reason Flickerine and Dodi must operate Heartbreak Inc on Earth.

Light contemporary fantasy with a good dose of humor, a little romance, and characters you won't want to leave. Flickerine and Dodie love their job. They save human women from getting their hearts broken and go after the evil heartbreakers. Sometimes they are vampires, sometimes they are alpha shapeshifter billionaires, and sometimes they are human.

- Limited to the use of a small portion of their gifts while in service on Earth. The girls must check in with the Elders on Heartbreak Inc Central to get their assignments. There is no more noble magic than the miracle of love and these fun natured spell casting vixens make sure they take care of business.
- Together they traverse college, men and the third dimension.
- This is the first book in the Adventures of a Modern Witch, Witchlight Trilogy Series. A FREE book offer inside for a bonus book! This is where we first meet our darling witches and understand their fantasy paranormal but all too human world.

Follow the girls on more wild adventures to come and see if Flickerine can keep from losing her own heart while in the Earth realm.
