JESUS CHRIST THE COUNTERFEIT CHRISTIAN MESSIAH - incorporating "What Really Happened in the Garden of Eden" and God, genes and evil Lionel Attwell

Lionel Attwell, a former highly successful national newspaper reporter, spent seven years investigating the Christian Church and discovered that it was built on a premeditated perversion of the original Hebrew/Greek Scriptures ingeniously mutated to fit its warped agenda and erroneous doctrines. In the process it created a pagan counterfeit Christianized Messiah. His research also reveals the incredible events which actually occurred in the Garden of Eden: the forbidden fruit was a narcotic and aphrodisiac; when "high" Eve was seduced by Satan and gave birth to a child with mutated genes subsequently inherited by the whole of mankind. He also explains the causes of human disasters and suffering. This book will change your life.
