Of Martyrs, Monks, and Mystics: A Yearly Meditational Reader of Ancient Spiritual Wisdom

Everywhere there are voices calling for a new Reformation, marked by a return to the older sources of Christian wisdom, and for drinking anew the inspiration of the Desert Fathers and Mothers, the church fathers, those from the monastic tradition and the medieval Christian mystics. This anthology of original sources in contemporary English, structured in a meditational mode, could well be the rich resource you are looking for in hearing the ancient Christian wisdom. Here are the deep wells of theological and spiritual insight that could guide you in walking a renewed path of faith in our precarious world. These voices from the past may well help you in living against the tide of late modernity with its rationality and utilitarianism that cannot sustain a well-lived and well-loved life. This book could sustain the hope for a renewed world through life lived in the presence of the healing and empowering God.
