Mattie Judy Alter

Against the backdrop of sparsely settled western Nebraska at the turn of the 20th century, Mattie tells the story of a pioneer woman physician. Through the years of her practice, Mattie's life is filled with romance and disappointments, battles won and loved ones lost, challenges met and opportunities passed. Through it all she endures. And as the years pass, her life takes on a richness and quality she knows she could not have found anywhere else or at any other time.

Mattie offers a realistic and haunting portrait of life on the plains and of a most unforgettable woman.
