All eyes are on the Middle East. Israel has successfully launched a first strike on Iran, taking out all of their nuclear sites and six of their nuclear warheads?and causing The Twelfth Imam to order a full-scale retaliation. U.S. President William Jackson threatens to support a U.N. Security Council resolution condemning the Jewish State for unprovoked and unwarranted acts of aggression.

Meanwhile, CIA operative David Shirazi has infiltrated the Iranian regime and intercepted information indicating that two Iranian nuclear warheads survived the attack and have been moved to a secure and undisclosed location. In danger not only from the ongoing missile strikes on Iran but also from the increasingly hostile and suspicious governments of multiple countries, David and his team are in a race against time to find the remaining nuclear warheads before disaster strikes.

#### **Daniel Trimble:**

Information is provisions for folks to get better life, information these days can get by anyone at everywhere. The information can be a expertise or any news even a problem. What people must be consider when those information which is from the former life are challenging be find than now's taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you find the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen in you if you take Damascus Countdown as the daily resource information.

#### **Brett Nash:**

Reading a e-book tends to be new life style with this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or maybe their experience. Not only situation that share in the guides. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on earth always try to improve their proficiency in writing, they also doing some research before they write to the book. One of them is this Damascus Countdown.
