Answering a multitude of questions—such as What should a parent do with a child who wants to snack continuously? How should parents deal with a young teen who has declared herself a vegetarian and refuses to eat any type of meat? Or What can parents do with a child who claims he doesn't like what's been prepared, only to turn around and eat it at his friend's house?—this guide explores the relationship between parents, children, and food in a warm, friendly, and supportive way.
