Bernd S. Koehling

MERCEDES-BENZ, The 1960s, Volume 1: W110, W111, W112 Bernd S. Koehling

W111V8 cabriolets have reached values in 2015 that were deemed impossible just a few years ago. Now also coupes start to follow. Luckily there are other 1960s Mercedes models such as the W110, W111 and W112 sedans that offer as much fun to drive at a much lower price. Except for the W112 they might not be as lavishly equipped as their two-door siblings, but today they are as rare, especially if one looks for a well maintained one.

If you like to read more about these cars, then this book will interest you. Completely revised in June 2015, it covers the W110, 111, 112 models from the 190c to the 280SE 3.5 cabriolet. Next to the development and history it explains in detail the cars' VIN and DATA CARD, so that one has a better understanding, how these cars were equipped. Superb recent photography might help to decide which car is the right one to buy. A technical section covers their paint and upholstery options, the production history plus engine and performance data of each model.

FREE BONUS: When you have bought this book, you are eligible for a free pdf file of any Mercedes model (such as W108 or W198 or R107 for example) the author has covered in one of his books. Please contact the author through his website (inside the book) and stipulate, which free pdf file you want him to send to you.
