Norwegian Wood Haruki Murakami

First American Publication

This stunning and elegiac novel by the author of the internationally acclaimed **Wind-Up Bird Chronicle** has sold over 4 million copies in Japan and is now available to American audiences for the first time. It is sure to be a literary event.

Toru, a quiet and preternaturally serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. Toru begins to adapt to campus life and the loneliness and isolation he faces there, but Naoko finds the pressures and responsibilities of life unbearable. As she retreats further into her own world, Toru finds himself reaching out to others and drawn to a fiercely independent and sexually liberated young woman.

A poignant story of one college student's romantic coming-of-age, **Norwegian Wood** takes us to that distant place of a young man's first, hopeless, and heroic love.

From reader reviews:

Samantha Campbell:

What do you about book? It is not important along? Or just adding material when you really need something to explain what yours problem? How about your spare time? Or are you busy person? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Everyone has many questions above. They have to answer that question since just their can do that will. It said that about reserve. Book is familiar in each person. Yes, it is right. Because start from on jardín de infancia until university need this particular Norwegian Wood to read.

Chad Steinberger:

In this 21st millennium, people become competitive in most way. By being competitive now, people have do something to make these individuals survives, being in the middle of often the crowded place and notice simply by surrounding. One thing that oftentimes many people have underestimated the idea for a while is reading. Sure, by reading a publication your ability to survive raise then having chance to stand than other is high. For yourself who want to start reading some sort of book, we give you this Norwegian Wood book as beginning and daily reading book. Why, because this book is greater than just a book.

Danilo Ernest:

Is it you who having spare time subsequently spend it whole day by simply watching television programs or just lying down on the bed? Do you need something new? This Norwegian Wood can be the respond to, oh how comes? The new book you know. You are therefore out of date, spending your time by reading in this new era is common not a geek activity. So what these publications have than the others?

Carlton Wood:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Norwegian Wood can make you experience more interested to read.
