Somewhere Only We Know Leanne Burn

Somewhere Only We Know is Caroline's story. To the outside world she is everything she should be; daughter, mother, friend. But her life is full of secrets and lies, always has been. When we meet Caroline she is running away from her old life; from her children, parents, friends, but mainly she is running away from Ben. But why?? What could compel a 46 year old women to jump into her car and make off into the night? The answer is simple - her secret is out! As she makes her journey south from Newcastle we also travel a journey with her.... right back to the very beginning. Caroline talks about her loneliness, her relationships with family members, friends and men, especially her ill-fated marriage and her relationship with Ben, who unfortunately turns out to be the love of her life. There is a lot of sex - there's violence and there's depression so it isn't a read for the faint-hearted. But there's also lots of love and joy and loyalty between family and friends. I hope that you enjoy the trip you take with Caroline on the Soundtrack of her life. Leanne xx
