A High View of Scripture? The Authority of the Bible and the Formation of the New Testament Canon (Evangelical Ressourcement: Ancient Sources for the Church's Future) Craig D. Allert

Where did the Bible come from? Author Craig D. Allert encourages more evangelicals to ask that question. In *A High View of Scripture?* Allert introduces his audience to the diverse history of the canon's development and what impact it has today on how we view Scripture. Allert affirms divine inspiration of the Bible and, in fact, urges the very people who proclaim the ultimate authority of the Bible to be informed about how it came to be. This book, the latest in the *Evangelical Ressourcement* series, will be valuable as a college or seminary text and for readers interested in issues of canon development and biblical authority.
