Not only do individuals have this choice, each church has to choose its response to culture as well. What if we were never designed to passively respond to culture, but to create it? God specifically created each person to build a culture that honors Him. We are called to create a culture around us based upon the worship of God. The purpose of this culture is help people engage in worship beyond the corporate worship service. To teach them how to hear and see what God is doing and carry it out in every relationship and situation they encounter. To present something new and more compelling to the world than what they have seen before. This book will help you discover how to create culture by examining Jesus' example and then give you practical application on how to apply it to your life. This book is an invitation to come and discover the path towards creating a culture that acknowledges and worships God.
