The best DIY wiring book on the market . . . six times over.

Black & Decker The Complete Guide to Wiring has led the pack as the United States' best-selling consumer wiring book for more than a decade now, with previous editions selling over one million copies collectively. Simply put, you won't find a more complete and up-to-date book on home wiring: from basic skills—including an overview of electricity and wiring safety; wire, cable, and conduits; boxes and panels; switches; and receptacles—to foolproof circuit maps for 30 common wiring set-ups and step-by-step walkthroughs of every essential home wiring and electrical repair project, this book teaches you everything you need to know. Now in its sixth edition, it has most importantly been updated to comply with 2014–2017 National Electric Codes, but in addition, nearly 1,000 accompanying photos offer up-to-date depictions of modern materials and fixtures. Complete with the most current wiring information available today, and presented in our long-renowned, fully illustrated how-to format, *Black & Decker The Complete Guide to Wiring (6th Edition)* guarantees you'll never be caught in the dark.
