My fondest hope is that my children, grandchildren, and great-grandchildren will learn to follow their hearts, love their parents, and depend on God and keep His laws. Always putting God first will keep them free from the destructive forces in life. I have known the pain of a child who puts drugs before everything else. There is in all parents a sense that we should have been able to protect our children from those things; learning not to blame ourselves is a long, hard battle. Finally, I hope that one day my children and grandchildren will realize how much they mean to me and how much I love them, and that the day I leave them on this side will not change that love. Just me - Jack
