The revised, eleventh edition of STATISTICS FOR BUSINESS AND ECONOMICS brings together more than twenty-five years of author experience, sound statistical methodology, a proven problem-scenario approach, and meaningful applications to demonstrate how statistical information informs decisions in the business world. And, to give you the most relevant material, you select the topics you want, including coverage of popular commercial statistical software programs like Minitab 16, Excel 2010, and others. These optional chapter appendices, coordinating data sets (on CD and online), and other support materials make STATISTICS FOR BUSINESS AND ECONOMICS the most customizable, efficient, and powerful approach to learning business statistics around.
