As a student exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just small students that has reading's internal or real their hobby. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally.
