How To Protect Your Online Business From Credit Card Fraud: (Written By A Convicted Fraudster)

Shane Grech

This E-Book was written by me, Shane. An Australian who has been in the Credit Card Fraud game for 3 years until I finally got caught.

I know the ins and outs of Online credit card fraud. I was caught in August of 2015 and attended my court date set for the 12th of January 2016.

I am now sentencing a 2 year Good Behaviour Bond with a criminal record.

I now want to stop being a criminal and give back to the world of business. With this E-book I will go into detail on how Credit Card Fraud works.

You will also learn a bit of Jargon that is used today in the Credit Card Fraud community.

How people are connecting to others who sell and hand out stolen Credit Card Information

A little bit about myself and my family also what happened and where I am today.

Last but most importantly I will go into depth on how YOU or ANYONE can stop their business from being a victim of Fraud. Startup or fortune 500. It all works.

Give me a computer with an internet connection and I can fraud anyone and anything. I am retired from being a criminal. It was a long journey that had to come to an end. From the people and businesses I have harmed I am truly sorry from the bottom of my being I really am.

I was going to make this E-Book free. But my parents have suffered from my wrong doings and have to pay Court fees and compensation.

I committed fraud to feed my family. Life is hard sometimes and sometimes un-able to handle the magnitude of some situations.

Even if I do not sell 1 copy I will still be glad I wrote this book. I finally had a chance to express the feelings deep down inside me.

I wish the best of luck to anyone who buys and reads this E-Book. I know I put a lot of myself into it. I hope you will also.

~Shane.
