I Love You Even Though... Rebecca Murray Schuler, Christine Wiesedeppe-Regan

Fifty clever insights on romantic bliss comprising a sometimes subversive, anything-but-saccharine, always amusing ode to relationships.

Admit it--sometimes we just don't get where our better half is coming from. Are 23 pairs of black heels--each varying in heel height, number of straps, and degrees of self-inflicted foot pain--really necessary? Does a \$5,000 Bose stereo system qualify as a "home improvement"? Inside *I Love You Even Though . . .*, coauthors Rebecca Murray Schuler and Christine Wiesedeppe-Regan offer nearly 50 sarcastic insights on romantic rapport paired with charming, edgy line-drawn illustrations. Perfectly timed for Cupid Day gift-giving, guys and gals will find that all the important relationship topics are covered: lawn mowing, ESPN's *SportsCenter*, her propensity to collect shoes in varying hues of black, and his ability to quote entire scenes from *The Godfather* but always forget three items on the grocery list. Although Schuler and Wiesedeppe-Regan indicate that debates will rage over the culinary merits of stuffing a beer can up a chicken's bottom and the fine line between talking, asking, and nagging, one thing remains certain, unequivocal, and dependable--that thing is love.

Sample entries include: I love you even though . . .

* You can effortlessly organize a fantasy football draft involving 12 guys, 6 cases of beer, 8 pizzas, and 5 orders of Buffalo wings, but forget to make dinner reservations for our anniversary.

* You don't understand the financial and emotional disparity between "Coach" being printed on a handbag and "Coach" being printed on an airline ticket.

* You declare that G.I. Joe is not a doll, but rather an American icon embodying man's primal need for social order and homeland security.

* You consider camouflage a color.

* Even though you sometimes don't get me and I sometimes don't get you...I love you.
