Darkness, Obliged Sam Sestak

Imagine this: you, living with your homicidal cousin, the "little kid", and your aunt, get chased out into a forest and knocked out just to wake up in a new world, with more than enough surprises. That's what happens to me, Xylina Ulrica, a not-so-average 17-year-old, whisked off to a new world, filled with surprises, creatures beyond my belief, and a secret to my life. You won't believe what I meet here, including a wolf who's smarter than she seems and a prince of an unknown land. I get dumped into a world at war filled with fights between dragons, vampires, and werewolves! I have to fight for my life and others and figure out who I really am. Cause, believe me, so far I'm lost. Come on! Join me and my newfound friends on the adventure of a lifetime, avoiding the darkness that is prepared to consume this world and learning what it truly means to be Darkness, Obliged.
