Suspect

Robert Crais

Suspect Robert Crais

For twenty-five years, Robert Crais has written extraordinary novels of crime and suspense. He is “a master of crime fiction” (*Associated Press*); “his novels get better with every new book” (*Portland Oregonian*); “Crais is hands-down the world’s greatest crime writer” (*The Huffington Post*).

But in *Suspect*, he may have written his most remarkable novel of all.

LAPD cop Scott James is not doing so well, not since a shocking nighttime assault by unidentified men killed his partner Stephanie, nearly killed him, and left him enraged, ashamed, and ready to explode. He is unfit for duty?until he meets his new partner.

Maggie is not doing so well, either. The German shepherd survived three tours in Iraq and Afghanistan sniffing explosives before she lost her handler to an IED and sniper attack, and her PTSD is as bad as Scott’s.

They are each other’s last chance. He was a young cop on the rise, she was bred to guard and protect. Now they are shunned and shunted to the side. They are suspect. And together they will set out to investigate the one case that no one wants them to touch: the identity of the men who murdered Stephanie.

Nine months and sixteen days later, they remained free. They were still out there.

What they begin to find is nothing like what Scott has been told, and where it will lead them will take them both through the darkest moments of their own personal hells. Whether they will make it out again, no one can say.

Thrilling, emotional, intense, with some of the best characters and well-crafted writing in all of crime fiction, *Suspect* is further proof that “Crais just keeps getting better” (*Publishers Weekly*).
