The Year Babe Ruth Hit 104 Home Runs: Recrowning Baseball's Greatest Slugger Bill Jenkinson

In an unprecedented look at Babe Ruth's amazing batting power, sure to inspire debate among baseball fans of every stripe, one of the country's most respected and trusted baseball historians reveals the amazing conclusions of more than twenty years of research. Jenkinson takes readers through Ruth's 1921 season, in which his pattern of batted balls would have accounted for more than 100 home runs in today's ballparks and under today's rules. Yet, 1921 is just tip of the iceberg, for Jenkinson's research reveals that during an era of mammoth field dimensions Ruth hit more 450-plus-foot shots than anybody in history, and the conclusions one can draw are mind boggling.
