*"Do not go gentle into that
good night"*

Lenny's world is ending...

How or why is unknown, but the signs are all around, Lenny Brewster is living on borrowed time.

Millions dead in a matter of days, billions in a few weeks, yet somehow through the destruction and rubble Lenny has staked his claim on survival.

A former Special Forces soldier, a current womanizing drunk with a list of shortcomings that would make Jerry Springer proud, he is a conflicted man. But make no mistake, Lenny is a fighter and the one thing he knows better than the bottom of a tequila bottle is how to survive.

Lenny Brewster doesn't care much for this world, but he'll be damned if he leaves it quietly.

This is the first book in the post-apocalyptic series "*The Wasteland Chronicles*"
